Event Summaries

USS Silversides

This past August the Scouts of Troop 183 visited the Great Lakes Naval Memorial & Museum (GLNMM) in Muskegon Michigan.

GLNMM is home to the World War II Navy submarine USS Silversides. After touring the vessel and learning of its elite battle record, the boys picked their bunks in the front torpedo cabin for a night aboard this honored World War II vessel.

Court of Honor

The Court of Honor held in August proved that the Scouts of Troop 183 have been working hard this past summer. 28 Scouts were awarded 145 individual merit badges.

Prior to the Court of Honor ceremony, a pitch-in dinner was enjoyed by 80 attendees.

First Aid Swimming Camping

Congratulations to all of the boys for their hard work and dedication!

White River Cleanup & Campout

On September 12th, 28 Scouts and adults from Troop 183 participated in the 15th annual White River Cleanup. Their efforts along with approximately 700 other volunteers collected 12 tons of trash, 256 tires, a motorcycle and even a kitchen sink.

That evening, 12 Scouts and 10 adults camped at White River Campground. After the boys and adults had a delicious dinner, the boys co-hosted the campfire program. All of the troops and packs in attendance were entertained by an outstanding program.
